### **6. Governance, Leadership and Management**

#### **6.1 State the Vision and Mission of the institution**

- Vision:
- The college has the logo “**AAROH TAMSO JYOTIH**” meaning **from darkness to light** which broadly expresses the vision, mission and objective of the institution. The vision is to be a pre-eminent centre of excellence, generating and imparting knowledge and to provide quality education and thus empower girls as majority of students come from rural and economically backward strata of society. The primary aim is to provide free accessibility to education and to treat the students equally without any discrimination of caste, creed or economic status.
- Quality enhancement through motivation and confidence building through learning
- To mould students of the college into well-meaning citizens through a socially committed value driven and future oriented paradigm of learning.
- To prepare students to encounter the academic challenges with confidence to develop indigenous techniques/methods to solve various problems i.e. subject related and real life problems.
- Mission Statement
- In order to translate the vision into reality our mission is as follows:
- To create a teaching-learning environment and research attitude conducive to the pursuit of higher knowledge, relevant skills and experience.
- To provide quality education to girl students by synchronizing tradition with modernity and blending vocational education and skill oriented with traditional courses for their development.
- To foster self and community development by sensitizing the students on socio-economic issues emphasizing on gender, religious harmony, environment and human rights by including related topics into the curriculum and through co-curricular activities

#### **6.2 Does the Institution has a management Information System**

Software based admission, office working software based, examination software in autonomous, soul software in library, automation of working

### 6.3 Quality improvement strategies adopted by the institution for each of the following:

#### 6.3.1 Curriculum Development

- The college provides free accessibility to education and equal opportunity to all sections of society without any discrimination of caste, creed or economic status. The college incorporates UGC/ Pt. Ravishankar Shukla University Raipur, Chhattisgarh Government/ AICTE guidelines for developing and restructuring the curriculum. Being an autonomous institute there is a flexibility to modify postgraduate curriculum up to 20% as per the local needs.
- The institution monitors and evaluates the quality of its enrichment programs through committees like Academic Council, Internal Quality Assurance Cell (IQAC), Planning and Evaluation Board. Apart from regular courses, several Add-on, Certificate and Diploma courses have also been introduced to provide academic flexibility to the students.
- Many of the senior faculties are members of the board of studies of the affiliating and other universities and autonomous colleges. Seven departments of the college are recognized as research centres by Pt. Ravishankar Shukla University, Raipur and Sarguja University.
- The five departments of the college have been given the status of star departments and provided with Basic Science Research (BSR) grant from UGC. Use of ICT tools are encouraged for teaching and learning. The cross cutting issues such as gender, climate change, environment education, human rights, ICT are integrated in to the syllabus in number of subjects.
- Talks and lectures of eminent speakers are a regular feature of the institution to train and create awareness amongst students. The college formally as well as informally obtains feedback on curriculum from staff members, students, alumni, parents, employers/academic peers and community by conducting meetings, college functions, seminars, workshops, discourses etc. which is analyzed by the Academic Council.

#### 6.3.2 Teaching and Learning

- The college is one of the oldest and biggest women higher educational centers in the state. Over the last fifty years the college has earned a reputation for excellent academic atmosphere that draws aspirants not only from the local urban but also from the remote rural areas of the state.
- Still adequate measures are taken for publicity. The college also ensures complete transparency in the admission process.
- The process of admission, number of seats for various courses and all other relevant information is clearly mentioned in the prospectus. The admission is given strictly as per the norms declared by the government. The students are selected on merit cum first- served basis depending upon the number of seats available for various courses. Reservation policy of Government for admission process is strictly followed.
- The college is consistently striving to introduce and update students with the latest changing trends in education. The technologies and facilities available and used by the faculty for effective teaching are e-learning - resources from National Programme on Technology Enhanced Learning (NPTEL) and National Mission on Education through Information and Communication Technology (NME-ICT) etc. The college library works on SOUL Software.
- Most of the teaching faculty is engaged in research activities and regularly attend workshops, seminars, conferences etc. The college has also developed a multi-pronged mechanism for the evaluation of teachers by students for improving the quality of the teaching-learning process

### 6.3.3 Examination and Evaluation

- ❖ The evaluation methods are communicated through the Prospectus, college website Notice Board, even through announcements in the class rooms. In the beginning of the session, departmental orientation program is conducted in which all information related to exams and evaluation is narrated to the students. The progress of the students is monitored by the teachers through class tests, written assignments, oral tests, group discussions and interactive sessions. Exam result analysis is done by the college

- The science laboratories are well equipped to cater to the students and research scholars. All labs are updated by the UGC Basic Science Research grant (BSR).
- College is a member of NME-ICT.
- College has three well- equipped computer laboratories. It is equipped with wi-fi campus. Free internet to all students, teaching and non-teaching staff.
- It has hi-tech lecture hall equipped with all modern teaching aid like, DLP, computer set-up.
- The college has Microsoft Academic Alliance membership (MSDN).
- The college is equipped with Unified Threat Management (UTM) Fire wall, to protect its

network.

- Every department is equipped with DLP, Digital document presenter.
- Specially designed examination software is used in autonomous cell.
- Upgraded Library using the INFLIBNET /Soul software.
- Library subscribes to N-List journals.
- There is a specified corner in the college library for all students, research scholars, visually-challenged students and the staff members.
- Safe and secured record room for autonomous cell and office.
- Multipurpose gymnasium and sports infrastructure.
- Coaching of different games and skill development through advanced equipments and training kits
- Multipurpose sports complex is under construction, for which the grant of Rs. 1.4 crores is sanctioned by the state government.
- Four hostels accommodating 600 students.

classrooms, technology enabled learning spaces, seminar halls, tutorial spaces, laboratories, botanical garden, museum of specimens, specialized facilities and equipment for teaching, learning and research etc. The college has sufficient infrastructural facilities for teaching and learning the details are:

- Photocopy facility is available for students on demand.
- Book bank facility for SC/ST students.
- Facility of N-list journals for all students and teachers.
- Bar coding of books.
- Wi-fi internet facility for teachers and students.
- GPS software is available in the department of geography.
- Three computer Laboratories.
- English language Laboratory.
- Fashion designing Laboratory.
- Food Science Laboratory
- Biochemistry Laboratory
- Biotechnology Laboratory
- Specified laboratories with adequate modern facilities Botany lab is equipped with advance tissue-culture lab and a herbarium of indigenous plants. In Zoology lab there is a museum of insect species.
- Two well maintained gardens with a nursery of indigenous medicinal plants.
- Online feedback for students.
- On line examination – Mathematics, Sociology and English.
- e- space (RIPPLES) is provided in college network where students and teachers can contribute their papers.
- All the hostel (non-government) fees . Online payment of fees through SBI challan
- 
- The institution has developed examination software to facilitate the assessment of students.
- The confidentiality of mark sheets is ensured by QR Code.
- The college has installed Bio-metric system to maintain security and confidentiality of autonomous section.
- Administrative section. Well supported by softwares i.e. student software ,account software, inventory software ICT based administration.

**Sports:** The sports department is enriched with modern sports equipments and conducts a number of games.

Indoor Game Facilities: Chess, Carrom, Gymnasium, Badminton, Table Tennis table with Robot machine, Wrestling.

- Outdoor Game facilities - Kabaddi, Netball, Handball, Basketball, Kho-kho, Parallel Bar, cemented cricket pitch.
- Equipments Available: - Badminton hall with synthetic court, Table Tennis table with Robot machine, individual gym equipment, Bowling machine and judo mat, sound system.
- Physical education department has a facility of multipurpose gymnasium.
- Auditorium – The college has an auditorium of approximately 500 seating capacity with well equipped audio and public address system, a stage with modern light and sound system.

### ***Hostel Facility:***

- ✚ There are four hostels in the college campus itself with a capacity to accommodate 600 students. All the hostels have reasonably good infrastructure with mess facility.
- ✚ Health centre with primary first-aid facility.
- ✚ Each hostel has a recreation room with television and facility for some indoor games like carom, chess etc.
- ✚ Music room with harmonium, tabla and many other instruments.
- ✚ Hostel library subscribes to 272 books- competitive books, daily news paper, magazine and other relevant books.

### ***• Recreational facilities, gymnasium, yoga center, etc.***

- ✚ Every year the college organizes camps on yoga, self defence, aerobics, and judo karate for the hostellers.
- ✚ English speaking course, Beautician course, Dance class, Micro-wave cooking,
- ✚ Baking training programs are organized.
- ✚ The hostel has a multipurpose hall for cultural activities and indoor games.

### ***Computer facility including access to internet in hostel:***

- ✚ The college campus has Wi-fi facility with free broad band leased line internet connection and another standby connection which is used in case of break- down of the main connection.
- ✚ Tablet has been provided to all final year hostel students by the Chhattisgarh Government.

### ***Facilities for medical emergencies:***

- ✚ Medical facility available for the hostellers - A lady doctor has been appointed for attending medical emergencies who visits twice a week. (Dr. Kiran Malhotra, senior C.M.O)
- ✚ In case of any emergency hostel students are admitted to a nearby nursing home. (Dr.Nirmal Bagrecha Clinic & Nursing Home)

### ***Library facility in the hostels:***

- ☐ Hostel library has 272 books, subscribes to daily news papers and magazines.

### ***Recreational facility-common room with audio-visual equipments:***

- ✚ One common room attached with library as reading room.
- ✚ Tanpura, Harmonium, Tabla, Ghunghroo, Electronic Lehra Peti, Electronic Taal Mala etc. in music department.
- ✚ DLP, Projector, T.V., VCR, Audio and sound system.

### ***Available residential facility for the staff and occupancy:***

- ✚ The college has four G-type quarters.
- ✚ Staff quarter is available for hostel warden.

***Constant supply of safe drinking water:***

- ✚ Fresh and pure water supply by water coolers attached with Aqua-guard purifier.

***Security:***

- ✚ Being a girls college, security is among the top priorities of college administration:
- ✚ The college has a closed campus with round the clock security guard.
- ✚ Security guard at the entrance gate maintains the visitors record.
- ✚ Two female care takers are appointed in the hostel.
- ✚ Outsiders and visitors are not allowed without permission.
- ✚ Anti- Ragging Committee.
- ✚ Help line numbers available for the students.
- ✚ Women Cell is formed to address any grievance.

### 6.3.6 Human Resource Management

#### Human Resource Management

- ☐ Creating leaders by delegation of duties and authority.
- ☐ Implementing systems for administration and academics.
- ☐ Teaching faculty is recruited by the government and most of them are Ph.D.
- ☐ The faculty members and students are encouraged to attend National and International seminars /symposium /conferences /workshops. Faculty is also motivated to organize such activities.
- ☐ The institution works to make students qualified and committed citizen.
- ☐ The institution has Career Counseling and Guidance cell, which organizes “Career Ki Pathshala”, NET/SET coaching facilities,
- ☐ Various extracurricular activities, Fruit preservation, Aerobics and fitness, Self- defense, beautician course, dance class etc. are organized.
- ☐ One of the major concerns of this institution is the overall development of students, i.e. organizing national seminars in different subjects related to society and ensuring maximum participation of students.
- ☐ Guest lectures of eminent speakers are arranged.
- ☐ As per the rules, every year, a self-appraisal report is furnished by the faculty members. It is ensured that classes are conducted daily on time. At regular intervals, meetings of all the heads of the departments are taken to ensure the internal quality checks.
- ☐ The college administrative staff has also undergone computer oriented training programmes.

### 6.3.7 Faculty and Staff recruitment

Recruitment through government and PSC

### 6.3.8 Industry Interaction / Collaboration

#### Industry Interaction

The institute interacts with various local as well as outside industries and organisations. The college consults with industries on various issues for the improvement of education system and development of employable skills and job oriented programmes.

Some of the existing courses are:

- ☐ B.Sc, Food Science and Quality Control.
- ☐ Fashion Designing.
- ☐ Certificate/Diploma/ Advanced Diploma in Computer Application.
- ☐ Certificate/Diploma/Advanced Diploma in Bio-informatics.
- ☐ Certificate /Diploma/Advanced Diploma in Medicinal Plants and their Chemistry.
- ☐ PG Diploma in Dietetics including one month internship in reputed medical institutes.
- ☐ PGDCA
- ☐ The institution also organizes field tours to various commercial laboratories-Parle-G, Pathology lab etc.
- ☐ One month training program for students in collaboration with food processing department, pharmaceutical Industries (especially Ayurveda), collaboration with biotechnical lab, tissue culture lab is conducted.
- ☐ Companies like IBM, WIPRO, visited the institution for campus selection of PGDCA and B.Sc. students with computer science.
- ☐ Students are taken to water treatment plant to introduce water treatment techniques and to interact with the scientists

### **6.3.9 Admission of Students Admission process**

- Phase I
- A committee is formed by the principal to prepare the prospectus. Before the commencement of the new academic session the prospectus is made available to the students. All relevant information regarding the admission procedure, courses, infrastructure, fee and scholarships, endowments, various activities of the college, achievements of the students in academic as well as sports and other activities is conveyed through the prospectus.
- The college has its own website from where students can gather information regarding the college. e-mail queries, if any, are responded to promptly.
- During all important functions the Principal transmits the same information to the staff and audience.
- Huge notice boards fixed at strategic points on the campus and the boundary walls of the college building also serve the purpose.
- An active Guidance and Counselling Committee is made available to guide the students and parents regarding various matters related to the admission process at the entrance.
  
- Phase II
- Admission to every course is carried out under the supervision of admission committees of various courses constituted for the purpose. To ensure transparency in the admission process, for all the courses, applications are invited in advance, a merit list is prepared and admission lists and a waiting list is also put up, strictly according to merit list as per the government rules.
- The college has made a provision of attaching a bio-data sheet with the admission form itself and with the aid of special software it gets computerized having details of all the students such as, the name with photograph, father's name, complete address with email and phone numbers, pass percentage, category etc.
  
- The college has an autonomous status and is affiliated to Pt. Ravishankar Shukla University, Raipur. The process of admission process, number of seats for various courses and all other relevant information is clearly mentioned in the prospectus. The admission is given strictly as per the norms declared by the government.
- The students are selected on merit basis depending upon the number of seats available for
- for various courses. Reservation policy of Government is strictly followed.

- A Guidance and Counselling Committee guides the aspirants for regular, add-on and vocational courses available in the college to make their choice according to their aptitude and ability.
- The minimum and maximum percentage of marks for admission at entry level for each of the programs offered by the college is 45% as per the government norms. In few courses if the seats remain vacant even less than 45% can also be entertained. The minimum and maximum percentage of the students admitted varies with the course and subject especially in postgraduate courses.
- The institution, as compared to the other colleges of the city has a record of getting its seats filled at the earliest in almost all the courses
- The admission process is constantly reviewed by head of the institution. There is an admission monitoring committee for the smooth functioning of overall admission process. The outcome of such an effort results in bringing about transparency, streamlining and systematic approach to the admission process, following up of reservation policy strictly as per provision of the government norms (SC/ST/OBC/PH/FF bonus marks are given for NCC/NSS). Flexibility exists in the admission process of the institution. With the consent of head of the institution and on the basis of availability of seats students can change their streams.
- The college has four hostels catering to 600 students. Online payment facility for the hostel admission is provided. A Guidance and Counselling Committee has been formed to help the students.

**6.4 Welfare schemes** A number of welfare schemes are available for teaching and nonteaching staff

- The strategies adopted by the government for faculty welfare include Career Advancement Schemes for those with higher qualifications such as M. Phil and Ph. D.
- There are also government schemes in place to provide loans for those who wish to buy/construct houses or to purchase computers and festival advances,
- Medical leave facility
- There is a provision of study leave, maternity leave/paternity leave.
- Duty leave is given, if applicable.
- LTC for home place, family pension, ex gratia, earn leave encashment
- GIS and Gratuity: Each and every regular teaching and non-teaching staff is covered under the General Insurance Scheme, furthermore they are entitled to for gratuity at the time of retirement.
- Transfer benefits
- Family pension, compensatory service, reimbursement

6.9 What efforts are made by the University/ Autonomous College for Examination Reforms?

1. Semester system at graduation part one level from 2014—2015
2. Confidentiality of Mark sheets are ensured by QR code in autonomous cell.
3. Results on website and sms alerts
4. Dream touch screen machine for knowing results is in place.

6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent college

6.11 Activities and support from the Alumni Association

Related to affiliated university, this college is an autonomous college.

1. Alumni legal cell by one of the alumni a retired district judge Anuradha Dubey
2. Time to time guidance.

#### 6.12 Activities and support from the Parent – Teacher Association

PTA meetings has been held in mathematics physics, commerce, home science, psychology, geography and sociology.

#### 6.13 Development programmes for support staff

Training on computer to office staff on inventory accounts , student section

#### 6.14 Initiatives taken by the institution to make the campus eco-friendly

The following measures have been taken for creating an environment friendly campus:

##### 1. **Extensive Awareness Programs:**

Projects have been completed by chemical association of college on analysis of water from taps, underground source and nearby Boodha Talab. The department of zoology has worked on the conservation of Herons, and life cycle of seasonal butterflies and insects. They have also formed a museum of butterflies. A herbarium of seasonal plants is prepared by the botany department. Tips on water and electricity conservation are given to students for energy conservation. A UGC sponsored project on Hostel Waste Management through Vermicompost is taken up by Dr. P.K. Saluja. As per the directives of Supreme Court a paper on environment has been made compulsory, focusing on environmental problem and related issues.

##### 2. **Energy conservation:**

Energy audit has been under taken by department of Physics with the support of CREDA, Government of Chhattisgarh since last two years. It has been planned to draw 50% energy through solar energy in the upcoming year. Active consideration is given to replace old fans to cut down electricity bills. The institution is using CFL bulbs. A proposal to replace LPG in hostel-kitchen by solar cooking system is under consideration.

#### 4. **Uses of Renewable energy**

A proposal has been sent to Government of Chhattisgarh to provide solar energy light system. The proposal is under consideration.

#### 5. **Check Dam Construction**

The college has an old well which is a water reservoir. The campus has five inter-connected submersible pumps at different locations and all are connected to this well. This serves as a lifeline of the college. The well-water is purified by adding potassium permanganate from time to time. Drinking water points of college and hostels are connected with aqua-guards.

#### 6. **Carbon Neutrality**

The carbon emission of college has been made to negligible by plantation in the campus. Most of the students use bicycles.

#### 7. **Plantation**

The college units of NCC and NSS regularly conduct plantation programme. The department of Botany has developed an open terrace garden for medicinal and ornamental plants. Besides NCC and NSS, plantation is also done in collaboration with State Bank of India and other NGO's like Jankalyan Parishad, Ambikapur provide a grant of ten thousand rupees per year for plantation. In hostel, birthdays are celebrated by giving saplings of plants to the birthday girls in order to inculcate care for plants in them. Two gardens maintained by NCC and Botany department respectively.

#### 8. **Hazardous Waste Management**

Extra care is taken for the safe disposal of hazardous waste. Carcinogenic chemicals used in DNA extraction technique by the department of Botany and Biotechnology is dumped deep into the soil after using it.

#### 9. **e-waste**

Computer department looks after the safe disposal of e-waste.

### **Criterion – VII**

#### **7. Innovations and Best Practices**

7.1 Innovations introduced during this academic year which have created a positive impact on the Functioning of the institution. Give details.

- Up gradation Of Academic Ambience,
- Innovation In Research And Extension, Innovative Infrastructural Facilities
- Emphasis On ICT In Teaching And Learning,
- Innovative Strategies In Governance And Leadership

The innovations introduced during last four years which have created a positive impact on the functioning of college are:-

##### **a. Up gradation in Academic Ambience:**

- ☐ Introduction of Add-on and self- financing courses.
- ☐ Cross cutting issues like gender, environment, and human rights have been incorporated in the curricula and seminar, conferences are organized and guest lectures are conducted.
- ☐ Digitisation of practicals.
- ☐ Moral and ethical studies have been added in syllabus by some departments i.e. Hindi, English, Sociology etc.
- ☐ Seminars and power-point presentations have been made compulsory for postgraduate students.
- ☐ Updating of knowledge through participation in seminars, conferences and workshops both by the faculty and the students
- ☐ Remedial classes.

- ☐ e- space (RIPPLES) is provided in the college network.
- ☐ Online lecture notes are available to students in the college network.
- ☐ Online test facility in the college network.
- ☐ Internet connectivity under NME-ICT scheme of MHRD.
- ☐ Member of Microsoft Academic Alliance (MSDN)
- ☐ The college has the facility of N-LIST journals.

**b. Innovations in Research and Extension:**

- ☐ Establishment of research centres.
- ☐ Increased Involvement of faculty in research projects.
- ☐ Publication of e-newsletter.
- ☐ Orientation through awareness programs.
- ☐ Orientation through individual assignments.
- ☐ Excursions and Field Trips
- ☐ Wall magazine.

**c. Innovative Infrastructural Facilities:**

- ☐ Modernization of labs.
- ☐ Upgradation of library.
- ☐ Green board in classrooms.
- ☐ Establishment of two new hostels
- ☐ Ramp for differently-abled students.
- ☐ Multipurpose gymnasium and table tennis table with ROBOT facility.
- ☐ Sports complex( under construction )
- ☐ Cycle stand

**d. Emphasis on ICT in Teaching and Learning:**

- ☐ Internet connectivity is available through NME-ICT scheme.
- ☐ College has wired and wi-fi campus.
- ☐ Well- equipped computer laboratories.
- ☐ It has hi-tech lecture hall equipped with all modern teaching aids like DLP, computer set-up.
- ☐ Microsoft Academic Alliance membership.
- ☐ Every department is equipped with DLP, Digital document presenter.
- ☐ Specialised examination software for autonomous cell.
- ☐ Library has been modernized by installing SOUL software.
- ☐ College subscribes to e-resources through N-List.

**e. Innovative strategies in governance and leadership:**

- ☐ ICT enabled e-governance
- ☐ Career and Guidance Cell
- ☐ Online Exams

**THE INSTITUTE HAS OVER THE PERIOD DEVELOPED A QUALITY SYSTEM OF TEACHING AND LEARNING AND GRADUALLY WORKING TOWARDS STANDARDIZATION OF EACH ACTIVITY**

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

Women centric approach

Hostel waste management

. (a) Title of the Practice: **WOMEN CENTRIC APPROACH**

**Goal**

The aim is to impart such type of quality education to the young women students which transforms them into empowered, self-reliant, motivated individuals with an attitude/insight for rationalistic independent thought.

**Context**

The college is one of the oldest and biggest girl's colleges of the state providing education to more than three thousand girls of urban and mainly of remote rural/tribal areas of the state. Many of them are the first generation learners of their families. So, the major focus is on the overall grooming and personality development of these students.

It is a period of cut-throat competition, high levels of competency and rapid changes in almost all spheres of life which lays greater responsibilities on educational institutions. The college is fully aware of this and makes consistent efforts to provide students an understanding of the outside world, the opportunities as well as its threats and challenges and at the same time conducive atmosphere to become professionally qualified, value-driven and self-motivated to face them.

**Practice**

All activities i.e. curricular, co-curricular, extra-curricular are planned and designed with the sole aim of overall growth and empowerment of girls:

- ☐ Introduction of Add-on and self- financing courses on Computer Application, Bio-informatics, Medicinal Plant and their Chemistry, Fashion Design, PG Diploma in Dietetics and PGDCA etc.
- ☐ Women centric approach of the college is reflected in the thrust areas of research ie social status of women, women prisoners, feminist concerns in literature etc.
- ☐ Feminist criticism and writers have been introduced in the syllabus. The department of History has introduced a paper on women in History. Cross cutting issues like gender, environment, and human rights have been incorporated in the curricula. Value added studies have also been incorporated in the syllabus by some departments i.e. Hindi, English, Sociology etc.
- ☐ Orientation through awareness programmes is a consistent effort made by the college in this regard. Awareness programmes related to waste management in the hostel has been initiated. Tree plantation, blood donation camps, exhibitions are regularly organised.
- ☐ Keeping in view the typical superstitious evil practise of this region - **TONHI PRATHA** -where mostly women are targeted and become an easy prey for exploitation and ill treatment, the college organises lectures to create awareness against such wrong beliefs. Similarly, conferences, seminars and workshops are regularly organised by various departments to discuss and create awareness about the challenges raised by the grave issues like female foeticide, ego virtues, human rights , anti dowry problems etc.
- ☐ Programmes on personality development and communication skills are also organized. Spoken English classes and Career kee Paathshala were conducted to expose girls to new avenues and future prospects in job market. The students are helped to identify job opportunities prepare for interviews and group discussions.
- ☐ Skill development programmes i.e tissue culture, food preservation, fine arts, cooking and baking, jewellery designing, aerobics and fitness etc. are organised.
- ☐ To build confidence, seminars and power point presentations have been made compulsory for postgraduate students. Participation in seminars, conferences and workshops is encouraged.
- ☐ Excursions and Field Trips are organised to provide practical learning experience.
- ☐ NCC and two units of NSS inculcate the spirit of community management and teamwork.
- ☐ Library resources are updated to cater to the latest requirements of girls. The library is subscribed to N-LIST journals which provides free access to the treasure of knowledge.
- ☐ Sports facilities help students to develop the ability to resist and defend themselves.
- ☐ As the safety and security is a major concern today, a training workshop on SELF-DEFENSE and Judo-Karate was organised.

### **Evidence of Success**

- ☐ The college which began with mere 16 girls now has 3078 girls enrolled for various courses out of which more than 50% come from remote rural and tribal areas.
- ☐ Academically, a large number of girls are opting add-on and job-oriented courses like PG Diploma in Dietetics, PGDCA. All the students of B. P. Ed. have got jobs. Students from other fields also have excelled in their areas. The number of NET, TOEFL qualified students has increased in last few years.
- ☐ The evidence of success can be sensed by the increased awareness to become economically independent. Students are more sensitized today and several of

them are working as civil servants, bankers, sports persons, academicians and entrepreneurs etc. Mrs Ranu Sahu IAS, Dhanlaxmi IAS, Rita Shandilya IAS, Ankita Som , Deputy collector, Preeti Banchor, captain of Indian—team are few names of the long list of working alumni of this college.

☐ More and more girls are opting for research work. The number of student progression from UG to PG and PG to Ph.D. has also increased. Some of the scholars have won Young Scientist award.

☐ Due to various awareness programs on human rights, environment and health consciousness etc. students are more aware of their rights today, one such program was Electorate awareness conducted before the recently held assembly elections for which one student of the college was appointed ambassador to spread awareness.

☐ Similarly, NSS and NCC enrolled students have won numerous awards. Many of them have represented state in RDC parade, have won the best cadet award and even represented India in the Youth Exchange Program conducted in Veitnam and Japan etc.

☐ In the field of sports the students have won laurels to the institution. As many as seven students of the college are part of Indian Rugby team; some are members of Indian Basketball team.

☐ Skill development Programs like Self Defence, Fashion Designing, Jewellery Making, Food Preservation etc, have made a great impact in boosting the confidence of students.

☐ The extracurricular activities conducted by the departmental societies have resulted in building leadership qualities amongst students.

#### **Challenges and limitations:-**

☐ To create and retain the interest of the students.

☐ Shortage of funds for women-centric activities.

☐ Orthodox mind set of family and society.

☐ Hostel facility.

☐ Inadequate hostel set-up.

☐ Scarcity of water in summer season.

#### **(b) Title of the practice: Hostel Waste Management**

##### **GOAL**

☐ Proper disposal of hostel food waste.

☐ To find an effective and economical way to manage solid and vegetable scalp waste etc.

☐ To avoid chemical fertilizers and adopt an eco- friendly method for the decomposition of hostel wastes.

☐ To educate students about the advantages of bio farming and to train them for self employment.

##### **CONTEXT**

Disposal of hostel vegetable and other bio-degradable waste in the form of solid has been a major problem of the institution. There are four hostels in the premises, accommodating 600 students. The large amount of hostel waste and vegetable scalp was a matter of serious concern. As an eco friendly solution a proposal was sent to UGC and as it has been sanctioned, Vermicomposting is adopted. It is a bioactive fertilizer for organic farming and serves as an effective means of recycling

### **PRACTICE**

Vermicomposting involves the conversion of carbon rich organic compounds to nitrogen rich organic compounds, this is highly advantageous for soil enrichment. Earthworms are very efficient in nutrient recycling. The transformation of complex organic substances like food waste, vegetable scalp, fallen leaves into stabilised humus like product/ casting of earthworm is called Vermicompost. Like conventional compost, it binds nutrients well. This means less nutrient run-off. Vermicompost has a high potential value as it:

- ☐ Improves soil aeration
- ☐ Enriches soil with micro-organisms
- ☐ Microbial activity in worm castings is 10 to 20 times higher than in the soil and organic matter that the worm ingests
- ☐ Attracts deep-burrowing earthworms already present in the soil
- ☐ Improves water holding capacity.

### **EVIDENCE OF SUCCESS**

This practice of hostel waste management helps in educating students about the advantages of biofarming.

The training given to students provides an avenue for self employment.

#### 7.4 Contribution to environmental awareness / protection

Green audit has been done
---------------------------

There is a provision of green audit in college campus. A committee has been formed to monitor the proper conservation and plantation of the trees in the campus. As per the suggestions made by IQAC two years back, Botany department is given the responsibility to do green audit with assistance of the environmental experts of the state. This year the department of Botany has prepared a report of green audit. Post graduate students of the department have done a study of shrubs, plants, trees and their circumference to calculate the biomass and age of the trees available in the campus. They also carried out a study of campus flora in three seasons - rainy, winter and summer for the herbaceous species available in the campus. Identification and calculation of biomass of shrubs, plants and standing crop of the flora is done.

##### **Plantation Programmes**

A programme was chalked out to maintain greenery. The green audit report of this year has been discussed with environmental experts of Raipur with suggestions to increase greenery in campus. Extra efforts have been taken by the college to create environment consciousness amongst students. One major step in this regard is the extensive plantation programmes organized by NSS and NCC in the last four years. NGO's like Jankalyan Parishad, Ambikapur provide a grant of ten thousand rupees per year for plantation. Plantation is encouraged by all departments to increase greenery and reduce carbon emission effects. Renovation of the garden at the entrance was done with financial support from Jan Bhagidari Samiti in the year 2008. Existing gardens are also maintained, conferences on burning are also organised to create environment awareness amongst students.

##### *7.1.2 What are the initiatives taken by the College to make the campus eco-friendly?*

The following measures have been taken for creating an environment friendly campus:

##### **1. Extensive Awareness Programs:**

Projects have been completed by chemical association of college on analysis of water from taps, underground source and nearby Boodha Talab.
